

Map Application for People with Disabilities Using Smart Devices

By Soo Jin Lee.

<Manual>

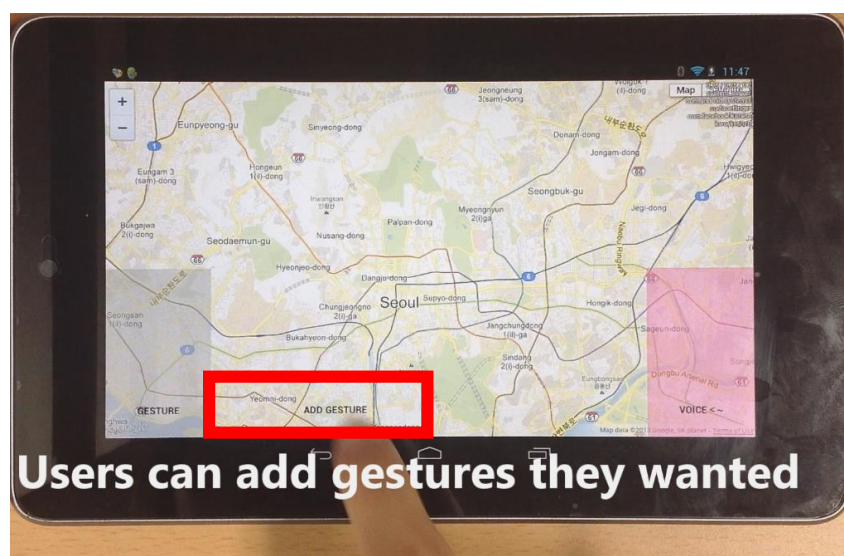

1. Save 'gestures.file' and 'OCG_App for the disabled_by SooJin.apk' in internal storage(/storage/sdcard0) of your phone.

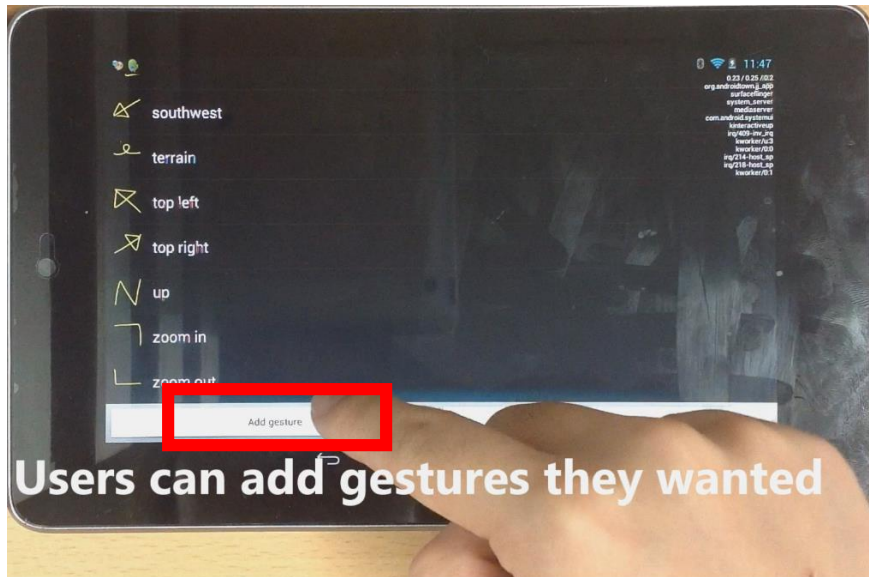

2. Install this application!!!!

<If You want to register self-gestures>

1. Click 'ADD GESTURE' button

2. Register your gesture!

- ✘ Gesture Name must be identified with function name that I defined in App as below.

Table 1 . List of Function's name

up	right	left	down	top	bottom
northeast	northwest	NW	southwest	southeast	
roadmap	satellite	hybrid	terrain		
zoom out	zoom in	very zoom in		very zoom out	

seoul	deagu	busan	pusan	
library for the disabled		remove library		

For example,
